JM 1930 Hughes Payment Plan Section
18 September 1962

Dear Jim:

Final overhead and general and administrative rates for the Year 1961 have been negotiated and the resulting credit is reflected in the attached Invoice No. 184A. At the time we amend the black contract we can incorporate the SA's establishing final 60 and 61 rates by reference to appropriate SA's in white contract.

Recent checks received from the payment officer have shown payee as Hughes Aircraft Corporation. Please advise the paying officer that the proper company name is Hughes Aircraft Company.

Regards,
